

Mesh

Daybed

by Patricia Urquiola

kettal

Kettal Mesh collection recalls architectural facades, which filter the surrounding environment without stopping the light and air flow. Industrial and natural materials, hard and soft surfaces, transparent and solid volumes are putted face to face in order to create this family of outdoor furniture based in contrasts.

Maintenance

Clean with mild soap using a sponge or cloth. Be gentle during the cleaning process; avoid aggressive scrubbing of the fabric. After cleaning, ensure you remove any excess soap.

For stubborn stains, use diluted household bleach. Act promptly to clean stains; the longer they linger, the more challenging they become to remove.

After cleaning, steam iron the fabric using only steam. Be cautious not to place the iron directly on the fabric, as it may cause damage.
