We called it Vimini because it means wicker in Italian and it sounds like Bimini, an island I like. We used just the right amount of outdoor wicker with a rougher wooden frame. It doesn't have the same modernist spirit as the Basket but it's familiar enough that, when you get close, it stirs a memory and makes you feel at home. That's what it was, more or less—an object of memory.

Maintenance

Clean with mild soap using a sponge or cloth. Be gentle during the cleaning process; avoid aggressive scrubbing of the fabric. After cleaning, ensure you remove any excess soap.

For stubborn stains, use diluted household bleach. Act promptly to clean stains; the longer they linger, the more challenging they become to remove.

After cleaning, steam iron the fabric using only steam. Be cautious not to place the iron directly on the fabric, as it may cause damage.
